六、閱讀測驗：10% (每題 2 分)

Fast food, such as French fries and hamburgers, comes from Western 西方的 countries, but it has now become a kind of common food in Asia. A study shows that an increasing number of Asians have become big fans of fast food even though it is not good for their health. Fat, salt, and sugar in fast food make people fat and unhealthy easily. Thus, eating too much fast food may cause many diseases 疾病 like heart problems and **obesity**. It is not surprising that obesity and heart problems have become important issues 議題 in the West, but these problems are now becoming more important in the East.

Since the number of fat Asians is growing, it is important to resolve 解決 these issues as soon as possible. In order to solve the problem of obesity, some people sued 控告 fast-food companies, like McDonald’s, Burger King, and MOS Burger, because they believed those companies were making people fat. Since it is true that eating fast food makes people fat, fast-food companies should do something to let people know the truth.

- () 35. This passage mainly talks about _____.
(A) how to live in the West (B) how to make fast food at home
(C) the issue of eating fast food in Asia (D) the popular fast-food restaurants in Asia
- () 36. The word “**obesity**” in the first paragraph means “_____”.
(A) when someone is very fat (B) when someone is very thin
(C) when someone is very healthy (D) when someone has a heart problem
- () 37. Which of the following fast-food companies is NOT talked about in the passage?
(A) McDonald’s. (B) KFC.
(C) Burger King. (D) MOS Burger.
- () 38. According to the passage, which of the following is true?
(A) Fast food is only popular in western countries.
(B) Obesity is the only disease that is caused by fast food.
(C) Fast food is low in fat and sugar.
(D) More and more Asians eat fast food now.
- () 39. What can we learn from this passage?
(A) Having fast food can help people enjoy their daily lives.
(B) It’s important for Asians to know the health risks of eating fast food.
(C) Doing exercise can make people stay healthy.
(D) Eating fast food can make fast-food companies become more popular.
